

**GREEN  
TECHNOLOGY  
FOR CLIMATE  
CONTROL**

## ABOUT US

Taking roots from design and manufacturing of HVAC products for almost three decades, Caire Consult was established in 1996 with the objective of specialization in Air Movement and Control products for Central Air Conditioning Systems.

As the market in India matures with fire safety, smoke control and general air quality within the HVAC systems gaining priority, our decades of experience working with leading HVAC design consultants in the country gave us the strategic edge to introduce newer, better and efficient systems addressing these needs.

## SOME KEY MILESTONES

**1998**

Awarded with 90 min fire rating as per UL555 for Fire Smoke Damper

**2000**

Began work on system to address concerns for energy. Introduced variable air volume systems

**2004**

Expansion of production facilities with state of the art production facility at Greater Noida

**2009**

Introduced Air Monitoring & Control Equipment for Optimized Ventilation & reduced Energy Costs

**2010**

Added of new production facility for grilles, diffusers and volume control dampers

**2011**

Implemented Quality Management System, certified by most prestigious TUV SUD

Our VAQ Station for demand controlled ventilation, awarded the best innovative product for indoor air quality.

**2014**

'On demand Car Park Ventilation System' from CONAIRE awarded the best product for indoor air quality.

Our 'Wire-free solar IAQ Controller', awarded the best green product.

## CONSTANT INNOVATION

We are one of the oldest companies in India, designing and manufacturing products for HVAC control and management systems under the brand 'CONAIRE'.

We are also among the first companies in the country to develop intelligent control systems that help monitor the HVAC and ventilation requirements in real time and thus affect optimum usage of resources and efficient environment control. Today, Conaire offers a number of products and solutions to help you meet your goals of optimal indoor air quality at reduced energy costs.

## AWARDS & ACCOLADES

Our VAQ Station was adjudged the best product in the category at Acrex 2011. It is India's only air measuring and control unit for Demand Controlled Ventilation systems that realises unprecedented cost and energy efficiencies.

Once again at Acrex 2014 we claimed the top honour in the category with our On Demand Car Park Ventilation System. A unique product that helps maintain optimal air quality in car parks and meet building norms, while affecting substantial energy savings.

We also won the Most Innovative Green Product for Climate Control Award at Acrex 2014 for our Wire Free Solar IAQ Controller. It is a zero installation and portable unit to monitor and control indoor air quality, with set-point adjustments. The unit harvests its own power from ambient interior lighting.

CONAIRE has a comprehensive range of products and solutions right from HVAC control to Air Distribution.

Our products are engineered to global standards with emphasis on efficiency and reliability.

Each CONAIRE product is designed to meet or exceed performance parameters.

Being an engineering company, client specific customisation is our strength.

## CERTIFICATIONS & AFFILIATIONS

Caire Consult, the parent company of the brand Conaire, is an ISO 9001 company, awarded by the prestigious TUV. We are also a member of the Indian Green Building Council, in addition to the memberships to the apex industry organisations like ASHRAE and ISHRAE.

## SOME OF OUR PROMINENT INSTALLATIONS

### COMMERCIAL

Barclays Bank, Noida  
Sahara Mall, Gurgaon  
Satyam Cineplex Ltd., New Delhi  
World Bank, New Delhi  
Vatika City  
V3S  
Panchshil Realty  
Omaxe  
Millenium Mall  
Mcdonald  
Marks & Spencer  
Market City  
Mapel Corporate Park  
Jaipuria Mall  
Interglobe  
Infinity Tower  
Gillete  
GE  
Gaur Multiplex  
Garden Galleria  
Ansal Plaza  
AMR Mall  
3C'S  
World Health Organization  
Avani Riverside Mall

### EDUCATION

American Embassy School  
G.D. Goenka World School  
Parliament Library, New Delhi  
Heritage Global School
